COMPANY CORPORATE PROFILE

Top Feel is a subsidiary of Top Glove Corporation Bhd, the world's largest manufacturer of gloves with more than 27 years of industry experience. Top Feel was established as part of the Group's initiative to diversify into condom manufacturing, in line with the Group's strategic expansion plans.

Top Feel aims to deliver products of prime quality, which conform to ISO 4074 and comply with international standards. Its condoms are made with premium quality latex and are 100% electronically tested, to meet the most stringent requirements.

Top Glove is a public listed company and serves a network of over 2,000 customers in 195 countries with operations spanning across Malaysia, Thailand, China, US and Europe.

Not content to rest on its laurels, Top Glove has now cast its eye on the next level of success and aspires to become a Fortune Global 500 company by 2040. Top Glove will continue to explore M&A and joint venture opportunities as well as new set-ups in synergistic industries in tandem with its expansion plans.
