TOP GLOVE SUBMITS INDEPENDENT AUDITOR'S REPORT TO U.S. CBP

Shah Alam, Monday, 7 September 2020 Top Glove is pleased to update that it has submitted the audit report prepared by an independent consultant, to the U.S. Customs and Border Protection (CBP).

The report was developed following the completion of verification work performed on its labour practices by the independent consultant, which entailed virtual interviews of about 1,100 of the company's migrant and local workers across various locations.

Top Glove remains committed to making remediation payment to its migrant workers who joined the company prior to the implementation of its Zero Cost Recruitment Policy in January 2019 and has already on August 10, 2020 commenced part remediation for recruitment fees amounting to RM4.4 million.

The company's active engagement with the U.S. CBP is ongoing and Top Glove looks forward to an expeditious upliftment of the Withhold Release Order.

Top Glove will continue to provide updates on developments as they occur.
