## **PRESS RELEASE**

For Immediate Release

**TOP GLOVE NAMED BEST COMPANY FOR INVESTOR RELATIONS**

*The world's largest manufacturer of gloves also clinched two additional top honours in the large market cap sub category*

**Shah Alam, Tuesday 14 December 2021** Top Glove (“Top Glove” or “the Company”) has clinched top honours for **Best Company for IR Best Chief Financial Officer and Best Quality of Annual Reports** in the large market cap sub category at the 11th annual MIRA Investor Relations Awards 2021.

Announced today, the Awards themed ‘Reinvigorating Investor Relations in the New Normal’ is organised by Malaysian Investor Relations Association or MIRA for short which is the sole nonprofit organisation for investor relations established under Bursa Malaysia.

**Top Glove Executive Director, Mr Lim Cheong Guan, who was named Best Chief Financial Officer for Investor Relations under the large market cap sub category, said:** "Our aim is to differentiate ourselves through our level of commitment and service to our shareholders and other stakeholders, so winning these awards is a proud result of the dedication and commitment from the Company’s 22,000 strong workforce. We reaffirm our responsibility to maintaining best practices in all aspects of Investor Relations corporate management and governance."

Lim a five time winner of the Best CFO for IR award, also noted that as the global business environment evolves at an intense pace, investors are requesting updated information from companies on environment al

social and governance (ESG) best practices.

"Top Glove as the world's largest manufacturer of gloves, will continue to proactively engage with stakeholders to strengthen continued trust and confidence in the Company's management."

Held annually since its inception in 2010, the MIRA Investor Relations Awards is the largest annual event in MIRA's calendar, and a representation of the association's efforts to advance and promote good investor relations practices among listed entities in Malaysia.

In addition to assessing the established criteria, the judging of the Awards this year also factored in how companies have been navigating around the crisis while setting strategies and direction in rebuilding their businesses. The award recipients are scored based on a 60:40 weightage system split between stakeholders voting and diagnostic assessments respectively, involving a series of qualitative and quantitative indicators.
